The Friends are a non-profit volunteer group, comprised of people who know that our library is essential to the educational and cultural well-being of our community. We focus our interest in the library and work to help add the extras that tax dollars don't cover -- the resources for special programming, building maintenance and improvements, and support for the annual summer reading program. We aim to make our library a continuing cornertstone in our community and to provide opportunities for everyone in our community to engage in the joys of life-long learning.

Thank you for your support and acknowledgement of the importance of our library in our lives and our community.
